

## Simple Erosion Narrowing Score (SENS)

- ◆ Based on the presence of erosions and/or joint space narrowing in the same joints as per Sharp/van der Heijde method (SHS)
- ◆ A joint is affected if:
  - 1 or more erosions are present
  - joint space narrowing score is  $\geq 1$
- ◆ Maximum score per joint is 2
- ◆ Range of SENS: 0-86; SHS: 0-448
